Subject: Invitation to Attend Delaware Fire Service Center Day – Saturday, May 9, 2026

To Whom It May Concern:

On behalf of the Delaware State Fire Prevention Commission, Delaware State Fire Marshal's Office, and Delaware State Fire School, we are pleased to invite you to attend our first annual Delaware Fire Service Center Day, which will be held on Saturday, May 9, 2026, from 11:00 a.m. to 2:00 p.m. at our Dover Campus, 1463 Chestnut Grove Road, Dover, DE 19904.

This special event will showcase the many ways our three agencies work together to protect Delaware's citizens and communities. Since May is nationally recognized for several key fire and life safety campaigns—Arson Awareness, EMS Appreciation, and Home Fire Sprinkler Week—we will be highlighting each of these initiatives throughout the day.

The primary objective of this event is to provide you with an inside look at our current capabilities, programs, and services, as well as to share our long-term goals and future needs. This will be an opportunity for us to demonstrate the scope of our work, and how each agency—Delaware State Fire Marshal's Office (DSFMO), Delaware State Fire School (DSFS), and Delaware State Fire Prevention Commission (DSFPC)—plays a distinct and vital role in serving the public.

Event Schedule:

11:00 a.m. – 12:30 p.m. Open House Facility Tours
12:30 p.m. – 1:00 p.m. Accelerant Detection Canine Presentation
1:00 p.m. – 1:30 p.m. Vehicle Extrication Demonstration
1:30 p.m. – 2:00 p.m. Side-by-Side Sprinkler Demonstration

In addition, several static displays will be available throughout the event, highlighting our apparatus, equipment, special programs, training grounds, and community engagement initiatives.

Your presence and support are greatly valued by the Delaware Fire Service community. We look forward to sharing this day with you and showcasing the vital work being done to ensure Delaware's safety, preparedness, and resiliency. Thank you for your continued support of the Delaware Fire Service and for your dedication to public safety.

Admission is free. Register now to secure your complimentary ticket. <https://www.eventbrite.com/e/de-fire-service-center-day-tickets-1982797099500?aff=oddtcreator>
