Mr. Gray advised that the radar has not been acquired. If it does not arrive this week, he feels that the portable Ra-Gun might be the best bet. Further action is anticipated. Mr. Gray and Chief Kinder are going to Fruitland to see their installation. The Police Dept. has not acquired a camera as yet. Mr. Gray will see Robert Bennett tomorrow.

Motion made, seconded and approved to request Richardson & Associates to update water improvement survey made in 1959.

Meeting adjourned at 8:50 P.M.

Respectfully submitted

J. K. Simons, Sec.
