Dear Ms. DeBussy:

I am writing to formally express my interest in serving on the Town's Planning and Zoning Committee. Over the course of my thirty-three-year career with the City of Gaithersburg Parks and Recreation Department, I was directly involved in numerous park projects and recreation facility developments, which afforded me experience within the city's planning process. This included collaborating closely with architects and contractors, as well as presenting project proposals to the Planning Commission. Additionally, I served both as departmental liaison to the City's Planning Department and staff liaison to the City's Bicycle Pedestrian Advisory Committee.

These roles allowed me to develop an understanding and keen interest in municipal planning. As a resident of Bridgeville, I am committed to supporting thoughtful growth that benefits all members of our community.

Thank you for your consideration.

Sincerely,

Tim "Smitty" Smith
