I would like to fill the vacant position on the town of bridgeville planning and zoning board. I bring a plethora of experience as I served on the planning board in New Jersey for 10 years. In addition I have recently decided not to seek re-election as a town commissioner. The fact that the meetings are only once a month would fit better into my current schedule. I will miss being on the commission but still want to be involved with the development of our town. Regsrd.
