OPEN DISCUSSION:

WOODBIDGE LITTLE LEAGUE AND TOWN HALL EXPANSION PLANS

Town Manager DeBussy presented information received from GMB for Commissioner review. Commissioner Tomeski asked what funding would be used for either project; Town Hall expansion would require different funding than the Little League park area, but there are some options for both projects. Commissioner Tomeski requested a list of items that needed to be added to the infrastructure to start the building; the utility infrastructure is in place, but the amount of parking required is an issue. The building can be oriented to accommodate the little league and the infrastructure, but a new use agreement needs to be signed before any plans can proceed.
