Dear Ms. DeBussy:

In conjunction with the Town of Bridgeville (Town), Davis, Bowen & Friedel, Inc., (DBF) has completed our site plan review for the proposed improvements to 416 South Main Street.

Below are our comments which need to be addressed and resubmitted for review and recommendation for approval.

1. Prior to construction, a DelDOT Utility permit will be required for the new water service connection. Owner/Owner's engineer shall work with the Town for applicable documents for submission.

Should you have any questions, comments, concerns, or would like to discuss this further please give me a call at your convenience.

Sincerely,
