Re: Letter of Interest – District 5 Commissioner Vacancy

Dear Members of the Bridgeville Town Commission:

I am writing to express my interest in serving as the District 5 Commissioner for the Town of Bridgeville. Having lived in Bridgeville for most of my life, I have strong ties to the community. I grew up in District 5, attended the Woodbridge School District, and am now a homeowner on 1st Street.

With more than 14 years of public service experience with the State of Delaware, I bring a background in community outreach, advocacy, communication, and working with individuals from diverse backgrounds. My experience has taught me the importance of listening, respecting different perspectives, and addressing concerns.

As a longtime resident, I have an interest in Bridgeville's continued growth, safety, and overall well-being. I would welcome the opportunity to represent District 5, contribute to decisions affecting our town, and give back to a community that has been part of my life for many years.

Thank you for your time and consideration.

Sincerely,

Kalissa T. Horne
